Next Planning Board Meeting for

Atlantic Estates / Diocese of Trenton

(Eleven houses and a lot of fill around the pond and woods near Atlantic, Burlingame, and Cumberland Drives.)

Wednesday, January 24 at 7 PM

At Town Hall, 401 Chambersbridge Road

Save Barnegat Bay will be represented by our attorney, Michele R. Donato and by a stormwater expert from Princeton Hydro. We need YOU present to back us up.

The record is still open to talk about all stormwater and flooding aspects, including fill.

Neighbors should come to voice their legitimate concerns about flooding and open space conservation. Please urge the township to purchase this property.

The crowd does not have to be neighbors only, it can be any Brick citizen concerned with the Reedy Creek woods and overdevelopment generally.
